

RESOLUTION OF HOMELESSNESS IN LONG BEACH IS VERY IMPORTANT BECAUSE IT WILL IMPROVE DECORUM OF THE CITY, SAFETY AND SECURITY OF THE RESIDENTS.

BUSINESS FRIENDLY approach, should be shown by being easy on taxes and over-regulations.

SAFETY and POLICE RESPONSE should be improved by not DEFUNDING the police.

TRAFFIC conditions should be made easier and safer by taking care of potholes, unnecessary lane closures and monitors in freeways which are on sometimes when there is no traffic.

EDUCATION, HEALTHCARE and PREVENTIVE HEALTHCARE should be prioritized.

MENTAL HEALTH should be improved and recommendations of Rosalyn Carter should be followed for our residents.
